# February General Meeting

Plan to attend the February general meeting where we will discuss and come to consensus on the National Popular Vote Compact.

American University's Washington College of Law Professor and Maryland State Senator **Jamin Raskin** will present the pro argument, and Georgetown University's Government Professor **Stephen Wayne** will present the con.

Be sure to carefully read the compact and questions beforehand so that we can make the most of our time with these two experts. We will be answering the consensus questions at the conclusion of the meeting.

Thursday, February 26, 2009  
6:30-8:00pm  
1717 Massachusetts Ave NW, Suite 600

As always, this meeting is open to the public. Invite friends as we explore the complex issue of how we elect our president.
